

# **HOTFOIL-EHS**

## **AFTEK-EHS**

**DO YOU NEED HEAT?**  
**WELDING EQUIPMENT?**

**Hotfoil Specializing in Industrial Heat Tracing For  
Heating Needs up to 800 Deg. F.**

**Electric Heating Systems (EHS),  
Specializing in Heat Treating Equipment  
For Heating Needs up to 2400 Deg. F.**

**AFTEK Manufacture of Demand Pulse Welding  
Equipment, 8-Packs and Power Transformers**

*We ALSO manufacture a full line of Furnaces,  
Control Panel Systems and offer a multitude of  
recording devices, known in the industry as the  
Depot for Heating Equipment and Accessories.*

# Hotfoil-EHS, Inc.

Hotfoil has been in the business for over 40 years dedicating our time to solving the needs of our clients. We offer heating systems for the following applications.

**PRECIPITATOR HOPPERS**  
**BAGHOUSE HOPPERS**  
**SPRAY DRYER HOPPERS**  
**SDA HOPPERS**

**COAL SILOS**  
**COAL CHUTES** I'm trying to find a 12v battery that is in my ADT Alarm system. It is approx. 4"Hx3"wx2"d, it has several #'s CA1240, 4AH, MH26038

**FLOP GATES**  
**SCREW CONVEYORS**  
**VIBRATING FEEDERS**

**STEEL TANKS**  
**FIBERGLASS TANKS**  
**POLYURETHANE TANKS**  
**PROPANE CYLINDERS**  
**55 GALLON DRUMS**

**PIPE TRACING**  
**VALVE HEATING**  
**VESSEL HEATING**  
**STEAM PIPE HEATING**  
**LONG PIPELINE HEATING**

Hotfoil Heating Systems are used in the following industries:

**Power Plants – Coal Mines – Oil Refineries – Tank Manufactures – Pharmaceutical Companies – Labs.**

We offer Engineering services, Site visits, Engineered Drawings on AutoCad, as well as Control Panels to answer your needs.

# Hotfoil-EHS, Inc.

EHS has been in business since 1996 specializing in supplying Pre-Heat and Post-Weld Heat Treating supplies for sale & for rental. We have a reputation that is second to none and our large inventory allows equipment to ship from stock.

## Sales & Rentals

6 – Way 73KVA Power Consoles with Ramp Controls

6 – Way 73KVA Power Consoles Fully Automatic

12 – Way 91KVA Power Consoles

Touch Screen Controls

6-Ways Computer Controlled (WIRELESS)

6,12,24,36 & 48 Point Graphic Controls

6,12 & 24- Point Digital Recorders

50 Ft. Triple Cable Sets with 3-Way Splitters

100 Ft. Triple Cable Sets with 3-Way Splitters

Thermocouple Attachment Units

High Temperature Ceramic Mat Heaters (25, 60 & 80 Volt)

## Sales

Thermocouples of all types

Thermocouple Extension Wire, Type “K”

High-Temperature Thermocouple Wire, Type “K”

80/20 Nichrome Heater Wire, sold by the Foot

Pure Nickel Cold Tail, sold by the Foot

Pre-welded Heater Wires (60 & 80 Volt)

60/150 Amp Male & Female Brass

Twistlocks

300 Amp Male & Female Brass Twistlocks

Type “K” Male Thermocouple Plugs

Type “K” Female Thermocouple Jacks

Type “K” Female Thermocouple Panel

Mounted Jacks

Stainless Steel Banding & Clips

Banding Tools

Ceramic Fiber Insulation

Iron Wire

Etc. Etc.....

We carry parts & we repair all Stress Relieving Machines at our facility  
We are a Certified Chino Recorder Shop, and offer Repair Service & Calibration services.

AFTEK-EHS

**Manufacture of Demand Pulse Welding Equipment for ENHANCED Stick and MIG Welding, 8-Packs and Power Transformers. AFtek has a 35+ Year History of Building Resistance Welding Equipment for the Power and Shipyard Industry.**

**Sales & Rentals**

**Grid Systems**

**8-packs (available with built in Heat Treating Console)**

**4-packs (available with built in Heat Treating Console)**

**Dual Operator Welding Systems**

**Single Operator Welding Systems**

**1500 Amp Gouger Machines**

**Grid Systems and MO Power Transformers**

**Full line of Transformers for Heat Treating and Power Supplies**

**Full Engineering services, in-house for free, on AutoCad LT 2008.**

**Hotfoil-EHS and Aftek-EHS are Specialty Manufacturers of Heating and Welding Systems. Please allow us to Design and Quote YOUR system using our Standard Full Line or as Private Label.**
